A lighter flicks the small flame ignites a thick blunt. Lily Jena, and Amber sit beside each other at a park bench. A small park with a colorful jungle gym sits right behind the bench . **AMBER** (20) a greasy aggressive hood chick, she wears a black heavy metal t-shirt that drapes over black shorts with high white socks tucked into black vans. Amber sits on the other side of Jena hitting the blunt. She passes it to Jena who takes a long hit then puffs the smoke into the night sky.

Amber's designer bag sits on her lap the cellphone inside the bag RINGS out. Amber looks at the screen on the iPhone then begrudgingly answers.

AMBER:

Yo. This Amber.What's up?

Amber searches inside her designer purse looking for a piece of paper. Inside the purse is a large stack of cash. Amber pulls out a trap-phone.

AMBER: (CONT'D)

(speaking to caller)

She was late again. I don't understand how you keep letting this happen. Well I'm still out of town ... So I'll let you know.

Lily watches as Amber talks aggressively on the trap phone. She sips from the liquor bottle wrapped in a brown bag. Amber ends the call. Placing the iPhone inside the purse she CLICKS the buttons on her trap-phone researching information in it.

JENA:

You still out of town? Ha.

Jena passes the joint back to Amber.

AMBER:

They don't need to know where I am... I keep the tabs, not the other way...

LILY:

Damn, OK. Ms.Bossy how can I apply? I mean what's in the job description?

Amber laughs at Jena who is vibing out dancing.

AMBER:

Is she serious? What I do is for the Hawks not Seagulls.

LILY:

(Slightly offended)  
What does that suppose to mean? Seagull? Wtf.

JENA:

Amber's just fucking with you.

AMBER:

Look, all I'm saying is it's not  
for baby birds. Lol

Amber closes the trap-phone then focuses on Lily.

AMBER: (CONT'D)

The people I hire travel to  
different locations delivering  
packages for me, because I'm too  
busy to be in all these places at  
once. So I pay these people to do  
it for me.

Lily lingers on the job description given by Amber.

LILY:

Wow, really? That's what you do?

Lily looks Amber up and down piercing her eyes.

LILY: (CONT'D)

Didn't know I was in the presence  
of someone so important.

Amber chuckles at the comment.

AMBER:

It's not that at all. But I do pay  
'my people' well... usually \$2,700  
cash for every trip.

Lily's face and attention lightens up.

FADE OUT.
